SUMMARY

Highly motivated software engineering immersive graduate, problem solver, and strong communicator eager to prove my value and talent at a growing company.

SKILLS

HTML | CSS | JavaScript | JQuery | NodeJS | Express | Bootstrap | MongoDB | React.js | Python | SQL | Django

SOFTWARE ENGINEERING EXPERIENCE

Software Engineering Immersive | General Assembly | Remote

March 2022 - June 2022

Successfully completed 500+ hours of expert-led instruction in full-stack software development and hands-on learning of coding fundamentals and the industry's most in-demand technologies. Developed projects include:

- **2048**
 - Used HTML, CSS, and Javascript to create a single-player game where the user uses arrow keys to slide tiles on a board totaling the tiles until they reach 2048.
- **IMDb reverse engineered site**
 - Full-stack application resembling IMDb where users can add movies and actors to a database.
 - Made RESTful API fetch calls to an Express, MongoDB, Node.js backend handling all create, read, update, delete (CRUD) operations.
- **Pack Hacker**
 - Utilized React.js components for the front-end of the application that creates a packing list with item recommendations based on the weather and location during the user's travel dates.
 - Used AccuWeather API to find location and weather data.
 - Made RESTful API fetch calls to an Express, MongoDB, Node.js backend handling all create, read, update, delete (CRUD) operations.
 - Used Mongoose to define schemas for MongoDB collections.

PROFESSIONAL/WORK EXPERIENCE

Care Coordinator | Forward

October 2021 - Present

Remote

- Facilitated conversation between the primary care team and hundreds of specialist providers.
- Tracked hundreds of clients' schedules, files, and forms in a confidential manner.

Lead Optometric Technician | Spectrum Eye Care

June 2020- October 2021

Charlotte, NC

- Increased patient retention by 25% by shortening visit time by 10 minutes due to speedy documentation of patient medical history, visual acuity testing, and performing retinal imaging for the Optometrist.

Medical Scribe / Quality Assurance Associate | ScribeAmerica

December 2015- June 2020

Gastonia, NC

- Performed documentation for physicians in the Emergency Department increasing their patients per hour by 50%.
- Reviewed patient charts written by other scribes increasing overall chart quality.

EDUCATION

General Assembly, Remote

Certificate, Software Engineering Immersive (SEI)

March 2022 - June 2022

The University of North Carolina at Charlotte, Charlotte, NC

Bachelor of Science - Exercise Science, Minor in Psychology

May 2019
